

New Jersey School Boards Association

Watchung School District

Community Input Meeting

Principal Search for Bayberry School

All Parents, Community & Staff Welcome

Thursday, June 28th and Monday, July 2nd, 2018

7:00 to 9:00 pm

Valley View School, All Purpose Room

The Watchung Board of Education invites you to attend an input session to gather information that will be used to set criteria for the background, training and experience necessary for the new Principal of Bayberry School. Our New Jersey Schools Boards Association Field Service Representative, Gwen H. Thornton, will be facilitating the forums and gathering information for the search process. Discussion will center on the strengths, concerns, on-going issues and future initiatives that will guide the search process. Information gathered through this forum process will be used to assist in the selection of the next principal of Bayberry School.

An online survey is also being developed as an additional tool to elicit community input. A link to the survey will be on the district website shortly. You will receive a notification when the survey is available. Thank you from the Watchung Board of Education.

We hope you will participate!
