For the safety of all children we ask everyone to follow Arrival and Dismissal procedures outlined by Valley View Middle School.

VV Arrival Procedures

- Drop-off Time for car riders/walkers/or bike riders is 8:00 a.m. Please do not drop off prior to this as **there is no supervision until 8:00 a.m.** Bus drivers will release students from buses at 8:00 a.m.
- All students will report directly to their homeroom before going to their locker.
- Students not in their homeroom by 8:15 are tardy and will need to sign in late in the main office.

Afternoon Bus Dismissal

- Students will be dismissed to the bus via an announcement.
- Bus numbers and positions in the line will be posted on the board as students exit the building. Students should find their bus number on the board to determine the location of their bus and proceed directly to their bus.

Afternoon Car Rider Dismissal

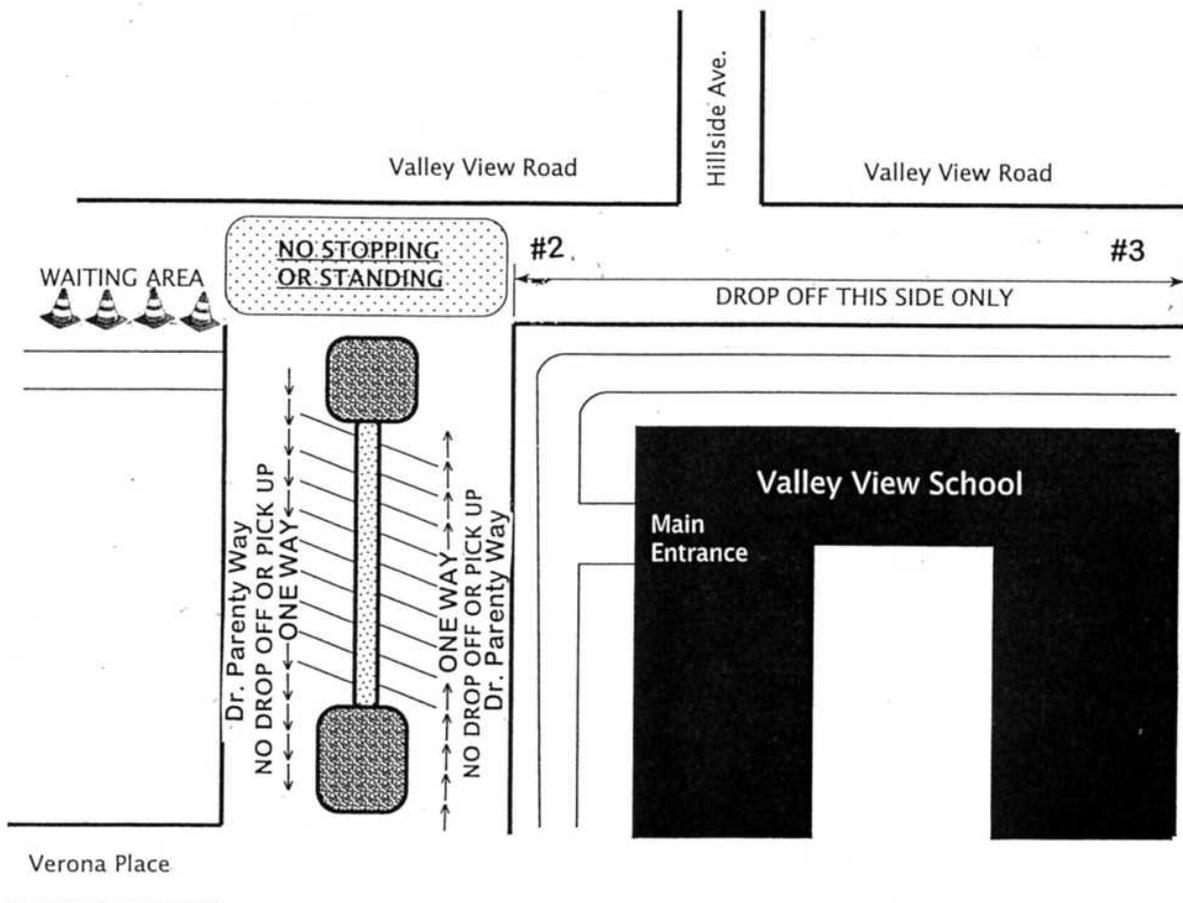

- Please remember to follow the traffic flow as described on the map below.
- Please do not block the entrance or exit to the Valley View parking lot.
- Drivers are to remain in their car along the curb and should pull forward as space becomes available.
- Any drivers not in line along the curb, should get out of their car and walk their child across Valley View Road.

As a general rule, parents will not be allowed to park in the parking lot to drop off their child or wait for their child at dismissal. The only exception will be for a scheduled meeting. Students will not be allowed to cross the bus lane to the parking lot.

Thank you in advance for your cooperation and patience to ensure that the safety and efficiency of the car rider and bus procedures run as smoothly as possible.
