

# ALL STUDENTS REQUIRED TO RE-REGISTER BEFORE FALL

*A Message from the Watchung School District*

All parents/ guardians are required to complete a re-registration packet for their child or children who will be attending borough schools this fall, and finalize the process in person before 3 p.m., Wednesday, Sept. 6.

Kindergarten students who have registered have already provided this information, according to Superintendent Barbara Resko.

“This summer, the district is conducting a re-registration process to be in compliance with N.J.S.A. 18A:38-1 and N.J.A.C. 6A:22,” said Resko. “In addition, this process aligns with the district’s initiative to increase safety and security measures.”

Resko said re-registration is being done to make sure that all student contact information has the most current information.

The school district wants to be able to reassure taxpayers that only students residing in the

district are getting the benefits of attending Watchung public schools, Resko said.

This re-registration process was last conducted four years ago in the summer of 2013.

The process of re-registering all students is both time and labor intensive, Resko said, so it made sense to administrators to conduct the re-registration during the summer, when schedules are lighter.

Plus parents have all summer to re-register. The process opened on Tuesday, June 27.

When parents/guardians have gathered and completed all of the necessary information, they are asked to visit the Main Office at Bayberry Elementary School to finalize the re-registration process.

“Mike Vignola and/or John Primeau will be available from 9 a.m. to noon, and 1 to 3 p.m., Tuesday through Thursday all summer to assist

with this process,” said Resko. “For your convenience, we will be open on Wednesdays in August from 6:30 to 7:30 p.m. by appointment only. Please call the Main Office at (908) 755-8184 to schedule an evening appointment.”

The following information is required when re-registering: Completed registration form; Original Birth Certificate and/or Passport for each child; and Proof of Residency.

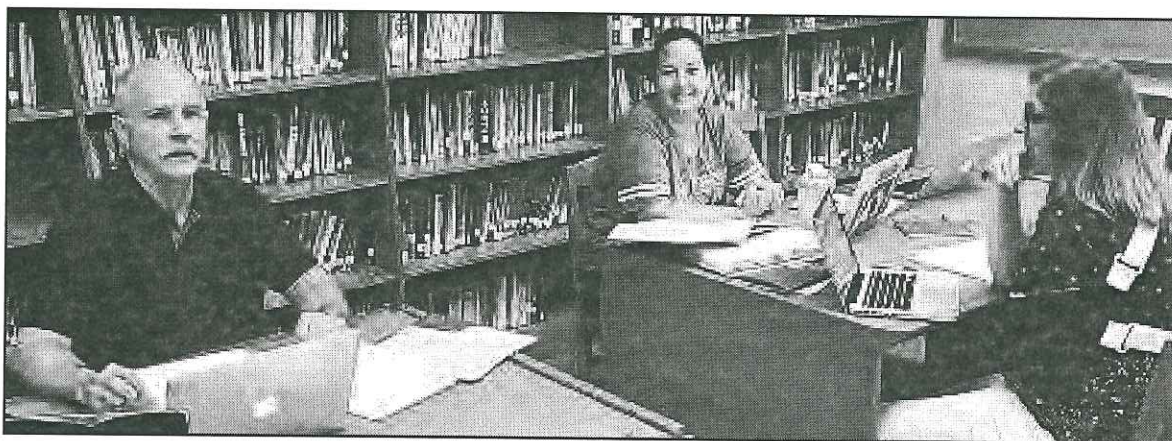

Parents/guardians must use original documents for proof of residence, and only the parent/guardian may register their child and must provide photo identification when registering.

The Watchung Borough School District requires the student to be registered by natural For more information, parents/guardians can contact the main school office at (908) 755-8184 to speak with Mike Vignola with questions or concerns.

## PROFESSIONAL DEVELOPMENT IN WATCHUNG

Watchung Borough teachers were hard at work reflecting on their Learner-Active classrooms during a six-day workshop held over the Summer vacation.

In LATIC (Learner Active Technology Infused Classrooms), data based, student-driven environments are key for continued student achievement.
